Engagement Model

Oakline serves as Client's creative director and content strategy partner across the pillars listed below. Oakline leads research and ideation, scripting and strategy, creative direction, publishing support, performance review, and data-driven iteration. Client performs video editing in-house.

As the content engine matures, Oakline's model is to add value back to the creator: additional pillars and capacity can be layered in over time as priorities evolve, and the creator's own required effort tends to decrease as the engine ramps.

Engagement Organization

- **Unified Shades of Texas Content Program:** Content strategy may test residential and commercial positioning across window tint, window treatments, awnings, indoor and outdoor living, and related architectural solutions. Automotive content is excluded.

Included Deliverables

1. Short-Form Content

Research, ideas, scripts, content strategy, creative direction, publishing support, performance review, and data-driven iteration. Client will perform video editing in-house.

Cadence: Cadence set with Client during onboarding and confirmed in writing.

2. Long-Form Content

Research, ideas, scripts, content strategy, creative direction, titles, thumbnails, clipping strategy, publishing support, performance review, and data-driven iteration. Client will perform video editing in-house.

Cadence: Cadence set with Client during onboarding and confirmed in writing.

Adjustments to Deliverables

The specific strategy, quantity, focus, mix, and phasing of the deliverables above may be adjusted from time to time by mutual written agreement of the parties (email confirmation between the parties is sufficient) as performance data, priorities, and platform conditions evolve, without requiring a formal amendment to this Agreement, so long as the monthly fee and the overall engagement scope remain unchanged.

Client Responsibilities

Client will provide timely access, assets, approvals, historical content, brand materials, analytics access, offer details, testimonials, recording capacity, and any required account permissions. The standard approval window is 2 business days.

Exclusions

The following are outside the scope of this engagement unless added by written change order: services, content systems, templates, launch plans, or deliverables for True North, the Kern family's outdoor-experiences business, or any other affiliated company unless added by mutual written agreement, with additional fees if agreed; automotive content; paid ad spend; third-party software subscriptions; influencer, actor, model, or talent fees; travel, studio, location, prop, wardrobe, videography, or production expenses; video editing performed by Oakline; editing standards, editing review, or editing feedback provided by Oakline; written content deliverables, including newsletters, lead magnets, X posts, LinkedIn posts, and related written assets; funnel and website strategy support; major brand identity systems, logo design, or full rebrands; website or landing-page design, development, or implementation; funnel, automation, or complete VSL builds; legal, tax, medical, financial, investment, or compliance advice; customer support, inbox management, or community management; and sales-team payroll, commissions, or employment obligations. Any deliverable not expressly listed in this Statement of Work is excluded unless added by written change order.

Change Orders

Material work outside this Statement of Work requires written approval and may require additional fees.

Services Agreement

1. Parties

This Services Agreement is entered into between BC Content LLC, doing business as Oakline Content Agency ("Oakline"), and Shades of Texas LLC ("Client").

2. Services

Oakline will provide the services described in the Order Form and Statement of Work.

3. Fees and Payment

Client will pay the fees according to the ramp schedule in the Order Form. The first \$3,000 installment is due October 1, 2026. The remaining \$2,000 Month 1 installment and all later Initial Term payments are due on the dates listed in the Order Form. The Initial Term commitment totals \$39,000. Oakline may suspend work while any payment is overdue, but suspension does not eliminate Client's payment obligations under the fixed Initial Term.

4. Onboarding and Knowledge Ingestion

Client authorizes Oakline to review, organize, ingest, and process Client materials, historical content, transcripts, calls, analytics, business context, brand materials, and related information for the purpose of creating and operating Oakline's internal AI-assisted client knowledge system.

5. Term and Termination

This Agreement begins on October 1, 2026 and continues through March 31, 2027 as a fixed six (6) month Initial Term. Neither party may terminate for convenience during the Initial Term. Either party may terminate for a material breach if the breaching party fails to cure that breach within ten (10) business days after receiving written notice describing it. If Client terminates, revokes required access, or otherwise stops performance during the Initial Term without an uncured material breach by Oakline, all unpaid fees scheduled through March 31, 2027 remain due, less any costs Oakline reasonably avoids because of the early termination. After the Initial Term, this Agreement automatically continues month-to-month at \$7,000 per month and either party may terminate it on thirty (30) days' written notice. Oakline may suspend work while any payment, approval, access, or required Client material is overdue.

6. Client Responsibilities

Client will provide access, assets, approvals, accurate business information, legal compliance review for regulated claims, and timely feedback.

7. Account Access and Posting Authorization

Client authorizes Oakline to access and post from Client accounts when credentials or platform access are provided.

8. Ownership

Client owns the final approved deliverables after payment. Oakline retains ownership of its pre-existing materials, methods, templates, systems, prompts, workflows, software, internal tools, AI-assisted processes, and client-knowledge infrastructure.

9. Confidentiality

Each party will protect the other's non-public business, strategy, systems, customer, financial, and operational information, and will use it only to perform or receive the services.

10. AI-Assisted Tools and Data Processing

Oakline may use AI-assisted tools and internal systems to perform the services. Oakline may process Client-provided information solely to provide the services and improve Client-specific work product, subject to the confidentiality obligations in this Agreement.

11. Compliance and Client Claims

Client is responsible for the truthfulness, legality, substantiation, and compliance of claims about Client's products, services, results, testimonials, regulated matters, and offers.

12. No Guaranteed Results

Oakline does not guarantee followers, views, leads, revenue, sales, virality, account growth, algorithmic treatment, or business outcomes.

13. Limitation of Liability

To the maximum extent allowed by applicable law, Oakline's aggregate liability arising out of or relating to this Agreement, the Order Form, the Statement of Work, or the services will not exceed the amounts actually paid by Client to Oakline under the Order Form during the three (3) months before the event giving rise to the claim. Oakline will not be liable for indirect, incidental, consequential, special, exemplary, punitive, or lost-profit damages, including lost revenue, lost business opportunity, loss of data, platform restrictions, account bans, reduced reach, algorithm changes, or third-party service outages, even if advised those damages were possible. This limitation does not limit Client's payment obligations or either party's confidentiality obligations.

14. Indemnification

Client will indemnify, defend, and hold harmless Oakline, its owners, team members, contractors, and agents from and against claims, damages, liabilities, penalties, costs, and expenses arising from Client's products, services, offers, claims, testimonials, regulated statements, intellectual property, customer data, account access, platform violations, payment disputes, or materials Client provides or approves. Oakline will indemnify Client from third-party claims arising from Oakline's gross negligence or willful misconduct in performing the services. The indemnified party must promptly notify the indemnifying party of the claim and reasonably cooperate in the defense.

15. Dispute Resolution

This Agreement is governed by the laws of the State of Nebraska, without regard to conflict-of-law rules. The parties consent to exclusive venue and personal jurisdiction in the state and federal courts located in Nebraska for any dispute arising out of or relating to this Agreement, the Order Form, the Statement of Work, payment obligations, or the services.

16. Notices

Oakline notice emails: briar@briarcochran.com, briar@oaklinecontent.com.

17. Miscellaneous

The parties are independent contractors. Neither party may assign this Agreement without the other's consent, except to a successor in a merger or sale of substantially all assets. Neither party is liable for delays caused by events outside its reasonable control. This Agreement, together with the Order Form and Statement of Work, is the entire agreement between the parties and supersedes prior discussions. It may be amended only in writing signed by both parties, may be signed in counterparts, and may be signed electronically.
